What [User](#) doesn't like about St Louis Bar & Grill:

Tried the chicken bites as I am not a huge fan of their wings. Had the hot honey and it was more honey than hot. Only one server working initially but she hustled and did a great job. They actually had burger deal for \$5.50 that I should have tried (cheese and bacon extra of course) instead of the chicken. Fries are ok to good. Overall it was OK but not something to write home about. [read more](#).
