A comprehensive [menu](#) of St Louis Bar & Grill from Whitby covering all 35 courses and drinks can be found here on the food list. The restaurant received mixed reviews. One customer enjoyed their experience, praising the attentive service and dill chips. Another had a positive experience with a cheerful server named Cassidy. However, there were complaints about loud music on the patio, long wait times, poor service, and missing utensils. Despite this, some customers still found the food to be good and expressed a desire to return. Inconsistent service seems to be a common theme. Overall, it appears the restaurant has its strengths and weaknesses, making it a hit or miss dining option for potential customers.
