Not your typical grocery store. Their meats are amazing the selections are endless. The sausages are so good and the kabobs my family loves. The produce is fresh and the staff are very helpful. I love their salad dressing made with good ingredients. Lastly the pizzas and prepared food section are great when you don't have time to cook. [read more](#). Once in a while they add one different dish, but I never get it anymore. Wish they would add some change to the menu. [read more](#).
