A comprehensive [menu](#) of Ben & Florentine from Longueuil featuring all 13 menus and drinks can be found here on the menu. The restaurant offers huge portion sizes, but the kids' menu may not be sufficient for older children. The eggs benedict and smoked salmon are highlights, although there are complaints about the lack of real maple syrup and canned whipped cream. Service is good overall, though some waiters may be hit or miss in terms of attentiveness. The atmosphere is clean, and recent renovations have updated the look of the dining room. Wheelchair accessibility is noted, and overall, the food quality and service are praised. The restaurant is recommended for a pleasant dining experience, especially for brunch.
