[Bistro BurgerTown](#), popular for its typical Canadian meals, uses ingredients that are typical of the country. Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. There are also scrumptious American dishes, for example, *burgers and grilled meat*, this **sports bar** is a favourite among the guests, who enjoy not only the fantastic food and drinks, but also the opportunity to watch the latest games or races on the big TV.
