During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food. Besides the fine [sandwiches](#), small salads and other snacks also make a good snack. Watching various sports events and competitions is equally one of the highlights of visiting this sports bar, It's worth mentioning that the original *Canadian meals* are well received by the guests of the local.
