Stopped in to pick up samosas on my way home and they were delicious. I didn't have time to stay and try the buffet but I will for sure be stopping in sometime soon to try the other menu items. The staff were very nice too! [read more](#). The restaurant offers free WLAN for its customers, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. If the weather are right, you can also be served outside. What [User](#)

doesn't like about Red onion:

We wanted to give it a try. And it was okay I would go back again. They are working on getting their smorg going so that is a good thing. Give them a chance people they have only been there going for 3 months everyone needs a chance to learn the ins and outs and the wants and the needs. [read more](#).
