What [User](#) likes about Point no Point: Point No Point came highly recommended by friends. Our meals, wine, experience were all 10/10 and in my opinion very reasonably priced considering the high quality of food, service and environment. They even modified my daughter's meal to a vegetarian dinner (Beef no beef - haha!!) which she enjoyed very very much. I highly recommend this restaurant and hope to stay at the resort one day in the future. [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather, and there is no-charge WLAN. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physical limitations. Point no Point is renowned for its **typical Canadian dishes**, which are prepared with products typical of the country, there are also **fine vegetarian meals** in the menu. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, and you can look forward to typical fine French cuisine.
