On this website, you can find the **complete menu of Sushi Me** from Port Coquitlam. Currently, there are **28** meals and drinks available. **Sushi Fu**, with new ownership, has seen a decline in quality and service according to long-time customers. Prices have risen without improvements, leading many to seek sushi elsewhere. Despite some issues with portion size and seasoning, the restaurant is still popular among locals for its fast delivery and tasty options. While not the best sushi spot around, Sushi Fu offers affordable, flavorful dishes with a variety of vegetarian options. With a mix of positive and negative feedback, it seems the restaurant still has its loyal fans despite some recent changes.
