Im from the Netherlands, a real coffeecountry. The double capuccino in here is outrageous. Better than I ever had in Europe!! Strong as it should be with the right foamy milktopping. ??????????????????♥ [read more](#). As a guest, you can use the WiFi of the place at no extra cost, Depending on the weather conditions, you can also sit outside and eat. The premises on site are accessible, and therefore no problem for visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Conversations Coffee House:

Our favourite cafe (Modern) was closed on Sunday so we had a quick lunch at Conversations, across the road, instead. It's inexpensive, casual and popular with young people who like to make use of the free wifi. We both ordered the gumbo soup and a coffee & tea. It was ok but nothing special. The soup came with bread that was disappointing. We had to clear our own table before sitting down. It was ok but not memorable... [read more](#).
