The staff at the visitor centre were so enthusiastic in their recommendation, I wondered if they got a kick back... but I think it is because it is just a such a great place. Interesting to stroll around, great smells and lots of variety. [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about

Yukon Meat & Sausage:

Sandwich made to order - great idea. Pick your meat and they slice it for your sandwich. Pick your bread - lots of choices. I ordered sourdough bread but it was a little dried on the outside - so a little disappointing. Pick your condiments and veggies - lots to choose from. Had a side potato salad - it was good. Great selection of lunch items! [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: delightful menus, prepared with **fish, seafood, and meat**, though corn, beans, and potatoes are also in the menu, It shows that the typical Canadian dishes are well received by the customers of the local. Finally, this place also provides you with a extensive selection of various, already prepared specialties, The magical desserts of the restaurant also shine not only on children's plates and in children's eyes.
