User likes about Triple O's:

Been to this location numerous times for breakfast and sometimes dinner. The girls working the drive-thru always have a great attitude, I can understand them on the speaker, and the food is always correct, fresh, and tastes great. Will definitely be back.. I'm craving it more now that i'm writing this review thinking about it. [read more](#).

When the weather is nice you can also be served outside. What User doesn't like about Triple O's: service 10/10 for 10/10 atmosphere 6/10 great service, great burger and the price is not too bad. the restaurant is beautiful, but the smell of oil is sharp, even if they sit far away from the kitchen/front. I feel bad for the workers there who have to bear it, there must be a kind of health risk against it. [read more](#).
