I live 2 blocks away and have been coming frequently over the past year. It's an underrated place on the beer geek scene that has some great craft taps that are slowly pushing out the macro taps. Vibe is loud and sports bar like, but mostly retro music playing so easy to get comfortable quick. Walking access to tons of hotels in the area. Staff is great (I always go to the bar), and some really know their beer an... [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and eat and drink. What [User](#) doesn't like about Duke's Refresher + Bar:

Not a bad place, but not a jaw-droppingly-amazing place either. Lots of beer, and wine menu was limited. Was disappointed with the small menu! Would have liked more choice but when the food came it was awesome, so maybe they focus on a few things done well. Not as loud as other places, and really liked the long picnic-style seating! If you're desiring some zesty South American cuisine, you've come to the right place: exquisite dishes, prepared with **fish, seafood, and meat**, though **corn, beans, and potatoes** are also in the menu, And of course, you should also try the delicious burgers, with sides such as fries, salads, or wedges offered. Furthermore, you can order fresh *grilled barbecue*, and you can indulge in fine American menus like Burger or Barbecue.
