A complete [menu](#) of Rudder's Waterfront Express from Yarmouth covering all 29 meals and drinks can be found here on the food list. The restaurant offers a lovely patio with a view, but service can be slow. Some dishes lacked seasoning, while others were delicious, like the lobster and seafood pasta. Friendly staff and excellent desserts make it a pleasant experience overall. The lobster is recommended, whether on its own or in a sandwich. The experience is so good that diners return multiple times, enjoying dishes like salmon bites, [seafood](#) crepe, and lemon pepper scallops. The house drafts are also a hit. Overall, a great spot for a fun dining experience with a variety of tasty food choices.
