What [User](#) likes about La Vallee:

Sometimes you just need a place that cooks a huge breakfast well. This is that place if you are in the area. Has a great inn feel, friendly staff and people, you feel like you are in their home. The breakfast is large, very well done.

Great local syrup for the pancakes, good strong coffee. Really enjoyed it. [read more](#). When the weather conditions is nice you can also have something outside, And into the accessible rooms also come guests with wheelchairs or physiological disabilities. What [User](#) doesn't like about La Vallee:

This is a nice place for a reasonably priced home cooked meal, especially on a cold winter day. We had their vegetable and onion soups- both were tasty and served piping hot. We also had a club sandwich with "real" chicken and bacon. The menu is fairly extensive including a range of hamburgers, pasta dishes and desserts. They have a full bar. Our server was pleasant enough. Overall, good value. [read more](#). Just eating and drinking is too ordinary for you? Then a visit to this **sports bar** is just right: in addition to large and small snacks and dishes you can watch the latest football matches, tennis or Formula 1, and you can expect original Italian cuisine with classics like pizza and pasta.
