Can't go wrong with the subway. You put everything your heart desires. It was a surprise when my granddaughter ordered the Pepperoni with pizza sauce. She did it. CON: Sometimes when we order steak and cheese, you can't taste the steak I think you should taste enough meat. read more. What User doesn't like about Subway: I really could not praise at this point or find too much criticism, as it is on average for the franchise. The only real complaint that I can is that the tomatoes were unripe and tasteless and that the falafel tasted... as it had been in the refrigerator since the Battle of Hastings. Otherwise everything is very... average! read more.
