On this homepage, you can find the **complete [menu](https://menuweb.menu) of Golden Phoenix** from Mount Pearl. Currently, there are **17** dishes and drinks available. The Full House buffet restaurant has gone through a change in ownership and some customers are not happy with the shift in quality. While some diners found the food to be bland and greasy, others enjoyed the fresh and clean offerings at a slightly higher price point. Some dishes were undercooked or overcooked, and the sushi was lacking in quality. However, the buffet still offers a wide variety of choices, with excellent service and cleanliness. Overall, it is worth a try, especially if visiting St. John's, Newfoundland.
