What a great conversion of the old Leonard's. Beautifully decorated and comfortable. Piano guitar music was just right. Food was excellent and good portions. Service was outstanding and attentive. Just right! [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities.

What [User](#) doesn't like about Tao Northern Chinese Cuisine:

This new resto spot is pretty much the only Chinese sit down spot in the area. The parking lot can take up to a handful of cars and when that happens it is a pretty small squeeze of a space but you can still find a parking spot fine if it is not too busy (or park across the street at Canadian Tire [read more](#)). The Tao Northern Chinese Cuisine in Toronto serves various **fine seafood courses**, You can take a break at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. The *versatile, fine Chinese cuisine* always goes down well with guests.
