A comprehensive [menu](#) of The cider house pub from Toronto covering all 33 courses and drinks can be found here on the card. Located on Roncesvalles, this neighborhood hangout offers a decent selection of craft ciders and burgers. While the food, including beet salad and schnitzel, was mostly enjoyable, service was described as scattered and disappointing. Newcomers to the area, visitors praised the cider flights and whiskey cider. The attentive service and selection of ciders were highly praised, though some noted the absence of a leafy patio. Overall, a pleasant experience highlighted by friendly staff and tasty beverages, but lacking in exceptional food or service. Recommended for a casual local visit, but not worth a special trip.
