Lhy Thai is consistent with its flavours. One of my go to's for lunch take out at least once a month. Like the #1 medium to hot spice. Price \$7.95 very good value. [read more](#). What **User** doesn't like about Lhy Thai Restaurant:

First time ordering from Lhy Thai, glad they don't allow people to dine in because the place smelled like mould. The portions are small for what you pay for. The Red Curry was lacking the chicken, Pad Thai was just enough for 4 people. However the elderly couple are very sweet. They do have a lunch combo with pretty good prices (I've posted the lunch dinner menus) [read more](#). The comprehensive range of coffee and tea specialties makes a visit to Lhy Thai Restaurant even more worthwhile. Furthermore, the visitors love the successful combination of different meals with new and partially experimental ingredients - a nice example of successful Asian Fusion. The preparation of the meals is done authentically Asian. Here, **Thai menus** are prepared with the popular spices and (fish-) sauces.
