Great little restaurant. Delicious food. The steak is very tasty and cooked to perfection. The lobster tails were large and very flavourful. It was a quiet atmosphere with lots of delicious items on the menu to choose from. The only thing that I felt needed to improve was the garlic mash potatoes, I didn't taste much garlic, but the rest of the meal compensated for that. Great service. [read more](#). When the weather is good you can also eat and drink outside, And into the accessible rooms also come visitors with wheelchairs or physical limitations. WiFi is available free of charge. What [User](#) doesn't like about Reefnbeef Steakhouse:

This place is to be known for Eggs Benedict. It was by far the worst thing I ever had. The English muffins were not even roasted, the eggs were cooked hard. Zero liquid yoke. The sauce was sealed over everything. I had grilled tomatoes on the side... I have three slices of cold tomatoes. The service was good and the rest of the meals seemed ok. That's the point.
