I have eaten here a number of times and loved it every time. The other day Dion, the owner, asked me what I was feeling hungry for. I told him and he made an incredible vegetable stir-fry that is not on the menus but if they will make it if you ask. So fresh and with just the right amount of spice. I would recommend this awesome place for lunch anytime. [read more](#). I went here for lunch and the service was good. Friendly and prompt. I had a sandwich and soup and it was good but not at all something I would go back for due to the price. It was underwhelming if that is a word. Not exciting just a sandwich and soup that did not fill me up. [read more](#).
