We went for Wednesday special, \$1 a shuck oyster. They are a bit small, but fresh. There are different beers on the menu, and server is willing to let you try before you order. We order one lamb burger and one batch burger to share. But they gave us the same type of burgers as both taste the same. Once again, the waiter was very apologetic and gave us extra one. Apart from that, the place is light and comfortable. Wi... [read more](#). The

restaurant also offers the possibility to sit outside and have something in pleasant weather, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Batch:

Went with my friends for summerlicious. Service was great! Food quality was okay, quantity was definitely lacking. I got the chicken wings- which was very juicy and flavourful, rainbow trout- small portions and the quinoa wasn't super tasty and the donut- which was dry and hard! Wouldn't recommend to a friend... maybe their normal menu is better? [read more](#). A visit to Batch is particularly valuable due to the extensive selection of **coffee and tea specialties**, The versatile **Canadian menus** are a hit among the guests of the local. Furthermore, you'll find tasty American meals, like for instance *burgers and grilled meat* on the menu, there are also tasty vegetarian menus in the menu.
