Stopped in for Friday lunch. Waitress came immediately and our beers came within minutes. We ordered the pea soup and shepherd's pie but when we saw the size of the soup we changed our order to "shepherds pie to go." Soup was delicious and very filling. The shepherd's pie was great heated up for supper. Excellent service by our young friendly waitress. [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about Cheer's the Village Pub:

I used to go here because they had decent gluten free options at a fairly reasonable price (such as a daily special of pork chop, mashed potato and a vegetable for around \$12.) But now the only gluten free choice is a hamburger on a gluten free bun, which cost me the exorbitant price of \$20 plus tax. The patty was homemade and very good, but as I'm not much of a hamburger fan I'll be eating elsewhere in future. [read more](#). If you want to spoil your palate with a bit of culinary flair, this is the place to be: The original Asian fusion cuisine of the Cheer's the Village Pub from Thunder Bay - a delicious combination of the familiar and the unexpected, You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Viewing various sports games and matches is equally one of the best parts when visiting this **sports bar**, and you can look forward to traditional Italian cuisine with classics like [pizza](#) and pasta.
