A **complete menu of Stackburger** from Sault Ste. Marie covering all **27** menus and drinks can be found here on the menu. Stack Burger is a popular local spot that serves up juicy patties with plenty of topping options. Customers rave about the delicious burgers, especially the cheeseburger with the crispy edges on the cheese. Although some find the burgers on the greasier side, they appreciate the option of a keto-friendly lettuce wrap. The counter staff might be hit or miss, but the chocolate malt shakes are a rare treat. Despite a few hiccups, like the overpriced burgers and average fries, Stack Burger impresses with quality, fresh ingredients. This small local business is definitely worth a visit for burger lovers looking for a quick, satisfying meal.
