[User](#) likes about Pinos:

Yes this is a grocery store....BUT... the bakery is excellent as is the deli. If you are looking for a quick take with meal you can't beat their real Italian [Pizza](#) or their Sausage on a bun. Its clean, their food is excellent, I'm not much of a [Pizza](#) lover but hands down I always get their pizza when we are in the [SAULT](#), its a real Italian thin crust [pizza](#), with just the right amount of sauce (not glopped all over i... [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What

[User](#) doesn't like about Pinos:

Standard brick and mortar grocery store seen in every city. Nothing out of the extra-ordinary -copycat to Sobey's and Fortino's brand in larger cities. Plus side, meat section is fresh and there is a starbucks counter. [Pizza](#) and hot food items are okay but prefer Metro or Rj's market [read more](#). In Pinos, a restaurant with Italian dishes from SAULT, you can expect **typical Italian cuisine**, including classics like [pizza and pasta](#), Also, you shouldn't miss out on the crispy and crunchy [pizza](#), original freshly baked in a wood oven. Not to be left out is the extensive selection of coffee and tea specialties in this restaurant, It's possible to chill out at the bar with a [freshly tapped beer](#) or other alcoholic and non-alcoholic drinks.
