I am not a connoisseur of Indian food... so not a foodie. That said I like the spice palate and have been to many Indian food restaurants. My wife and I both enjoyed to the food here, there was a nice variety of foods and tastes and the service was very good. We will certainly be back. [read more](#). In nice weather you can even eat in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities.

What [User](#) doesn't like about East India Company Pub & Eatery:

This buffet was fine, it's nothing out of this world, but it's fine. The food selection was OK, nothing that original but plenty of classic Indian food dishes. The restaurant was very clean, which is nice, and the seating was comfortable. I would imagine that if you were a large group that this place would be able to accommodate you very well. The staff was fine, and very friendly. The highlight of the meal for me was... [read more](#). The chance to try and feel like you're in a Hollywood blockbuster; that's doable in this tastefully designed diner, Also, the customers of the establishment love the comprehensive variety of various [coffee and tea specialities](#) that the restaurant has to offer. The Asian fusion cuisine is also an important part of East India Company Pub & Eatery.

Anyone who finds the usual and generally known dishes too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients consume, here they serve a *comprehensive brunch* for breakfast.
