A **complete [menu](#) of Rayan** from Ottawa covering all **26** menus and drinks can be found here on the card. Visit this Ottawa-based restaurant for a unique dining experience - choose your fish, how it's cooked, and your sides from the counter. The food was delicious, the seafood was fresh, and the calamari and shrimp were standouts.

The casual atmosphere and attentive service made for a welcoming visit, despite the lack of decor. While the customer service could use improvement, the high-quality food, including sea bass and lobster, justifies the prices. A varied menu ensures there's something for everyone, whether you're in the mood for fish and chips or a seafood chowder. A must-try spot in Orleans!.
