The restaurant also offers the possibility to sit outside and eat and drink in nice weather. The Garlic King from Ottawa serves fine, well digestible Mediterranean cuisine with its characteristic courses, For a snack, the yummy sandwiches, small salads and other snacks are suitable. For those who are still undecided, the smell of fresh flatbread and the fine, sticky delight of fresh baklava might be just the conviction they need - the **Middle East** is undeniably closer than one believes, The dishes are usually prepared for you *fast and fresh*.
