Many reviewers had mixed feelings about their experiences at Five Guys. Some praised the delicious burgers, especially the cheeseburger with high-quality beef and fresh toppings. The fries were a hit as well, with some loving the soft melt-in-your-mouth texture. The high prices seemed justified for the quality of the food, but some felt it was too expensive. Despite the good food, some complaints included disorganized online orders, uncomfortable seating, and a noisy atmosphere. Overall, Five Guys seems to be a hit or miss for many customers, but those who love the food keep coming back for more.
