J'ai été à ce resto pendant Le Festival de jazz de Montréal. Le menu offrait des plats différents des restos habituels avec une cuisine du marché, cuisine bistro (lapin, cerf, poisson, et plat végétarien). En apportant son vin, la facture est plus intéressante. Les goûts étaient recherchés, très en accord. Les portions étaient généreuses. Le seul point négatif, les plats étaient froids. Get ready for imaginative combinations of different products at Grenadine in Montréal that perfectly embody the concept of a **first-class fusion cuisine**. Furthermore, the guests love the creative combination of different meals with new and partially experimental products - a nice example of successful Asian Fusion. At the bar, you can still relax after the meal (or during it) with an *alcoholic or non-alcoholic drink*. The magical desserts of the establishment also shine not only in the eyes of our little guests.
