Its is a bit spendy for what you get, but it is something to have once in awhile. [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather, And into the accessible rooms also come clientele with wheelchairs or physiological disabilities. WiFi is available for free. What [User](#) doesn't like about WINGS:

My husband loves wings so our kids treated us for dinner to WINGS. I liked the Wingerz more than the wings, but that was nice too. We tried the Bobby Wings and that was like fire - extremely hot.
