This small corner [Sushi](#) joint in Edgemont Village has good food. We had seaweed salad, yam tempura as starters. Both good. My wife had California and Dynamite Rolls. I had spicy salmon and kamikaze roll. All were fresh and prepared nicely and colorfully. Service was good and helpful. [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about Nobu Japanese [Sushi](#): Family run with soggy food Very dissatisfied, horrible service They do not even have a bathroom. No place to sit down. I think it is overrated on other reviews. On top of everything, expensive. The nori of the [sushi](#) was wet. They did not even give me a paper napkin with lunch. Any other place is better for Japanese on the north shore [read more](#). During a meal, a good drink is essential. In this *gastropub*, you not only get delicious cuisine from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, among the specialties of this restaurant are especially the Sushi and **Inside-Out**. After the meal (or during it), you can also relax at the bar with a alcoholic or non-alcoholic drink, on the daily specials there are also a lot of Asian menus.
