The Afghan Cuisine restaurant, unlike so many others, has maintained its quality offering over the years. The food was an excellent buffet, of vegetarian and non-vegetarian dishes, with the addition of salad and fine desserts. The decor is simple, but clean. The staff is super wonderful. Can't say enough good things about this modest little place. [read more](#). The place also offers the possibility to sit outside and eat in nice weather, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. At Afghan Restaurant from [Regina](#) you have the opportunity to enjoy delicious [vegetarian](#) meals, in which no trace of animal meat or fish was processed, Likewise, the guests of the restaurant prefer the large variety of various **coffee and tea specialities** that the establishment provides. For those for whom this is not enough, to persuade themselves to visit the Afghan Restaurant, the smell of fresh flatbread or the tasty, sticky sweetness that fresh baklava promises might help - the *Middle East* is definitely closer than one thinks, The **magical** desserts of the local also shine not only in the eyes of our little guests.
