What [User](#)

doesn't like about Tangerine:

We were looking forward to trying out the restaurant as it always seemed to have an interesting menu based on what I see on social media. Upon visiting the staff seemed distracted (although it wasn't packed inside). Only ordered muffins and coffee to go. Muffins...were mediocre, when I went to get a drip coffee of the kinds were empty. Also ordered an americano misto. It wasn't even drinkable. We won't be returning. [read more](#). In the modern world many are thinking about a healthier diet; specifically for such thoughts Tangerine's menu provides a wide range of healthy light menus, In the morning a hearty brunch is offered here. The traditional **Canadian** meals are also liked by the customers of the Tangerine, The fine *sandwiches*, healthy salads and other snacks can be planned well as a snack.
