We walked in and quickly placed our order. The menu has a variety of items. The name does say it all [pizza](#) burgers lots of choices. Kid friendly for sure. The milk shakes would be a summer time treat for sure. You can sit in or take or take it out. Quick and warm. Good stop. [read more](#). In beautiful weather you can even be served in the outdoor area. What [User](#) doesn't like about Burger Baron:

The restaurant has been around quite a while, but the food is still pretty good. The traditional Canadian menus from Burger Baron, prepared with products from the country, are popular. Naturally, you can't miss out on the **tasty burgers**, which are accompanied by sides like fries, salads, or wedges provided.

Eating at the **typical American diner** is a unique event thanks to the surroundings. You shouldn't miss the opportunity to try the flavorful pizza, baked straight out of the oven in an original manner.
