This place is hands down the best [sushi](#) restaurant I have been to. I come here all the time now, and I have not been disappointed yet. Only thing I would like to see is for them to increase the size of their restaurant if possible. it is usually always packed so it sometimes hard to get a table. Keep up the great work guys. What [User](#) doesn't like about Noma [Sushi](#) Japanese Restaurant:

I have been ordering [sushi](#) every week for almost a year. The food is great however the customer service SUCKS!!! They just messed up my pickup order, so I took the time to call them and let them know the mistake and all that Peter did was to inform me that I was mistaken and that he took the order correctly. Seriously you just lost a regular customer because you just had to be right Peter. Good bye and good ridden. [read more](#). Noma [Sushi](#) Japanese Restaurant from Langley is a good place for a bar to **have a beer after work** and be able to hang out with friends, and easily digestible Japanese meals are being made with lots of fresh vegetables, fish and meat. *The menus are prepared according to typical Asian style*, The inventive fusion of different menus with fresh and partially daring products is highly valued by the visitors - a good example of Asian Fusion.
