What [User](#) likes about Burger King:

Working late and in need of a substantial snack. Burger King is open all the time and what can one say about about the whopper, nothing but good things. It wasn't crowded and my order was processed quickly and I had my food fast. Overall it was great quick service and the food was to be as expected, not gourmet but really good.

[read more](#). As a customer, you can use the WLAN of the establishment at no extra cost, Depending on the weather conditions, you can also sit outside and be served. The rooms on site are accessible, and therefore no problem for guests with wheelchairs or physiological limitations. What [User](#) doesn't like about Burger King:

Stopped here while travelling for a quick bit to eat. It was an average [fast food](#) joint. Food was fine, no complaints there. Restaurant could use some cleaning, lots of spilled ketchup everywhere. The girl at the till wasn't the friendliest, she seemed more interested in flirting with the construction guys ahead of us. She definitely made sure she got their order right. [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: delightful dishes, cooked with fish, seafood, and meat, though [corn, beans, and potatoes](#) are also in the menu, Forbreakfast a hearty brunch is offered here. Typically, the burgers of this establishment are served as highlights along with filling side dishes like fries, leaf and cabbage salads or wedges, and you can try fine American dishes like **Burger or Barbecue**.
