From the first step in, I knew it was going to be good and they didn't dissapoint. Ordered the chicken shawarma plate with yellow rice and fattoush. That was like heaven in my mouth. Their garlic sauce is the best I have ever had. Loved everything about this experience. Will be back soon. [read more](#). Shawerma Plus:

I got the chicken shawarma plate. The rice and chicken were very dry, and definitely not the most flavourful. Disappointed because I love shawarma and meditaranian food! The plate was also not very full - I was expecting a lot more for the price, usually I can make a shawarma plate last two meals. Overall not great, unfortunately. [read more](#).
