We went there at 4, one night a week, the food was very good, the prices are good overall and the server was very nice. It's a place I'll advise! only small flat, we all found that the price of desserts was really expensive, more than \$7 for a piece of cake, it's a little excessive to my taste [read more](#). In pleasant weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Al Dente:

In general the service and meal were ok. The [seafood](#) pasta was tasty but not a lot of [seafood](#) and for the price it was expensive. Not great value for your money. However the worst part of the experience was the washroom. It was not well maintained and was very dirty. This would be reason enough for me no to return to this restaurant. [read more](#).
