What [User](#) likes about The Heart:

We stopped in for a coffee break on the way back to Calgary from a morning hike in Kananaskis. The lemon loaf and scones were first class. The cappuccino was good as well. The cafe is also a local centre for yoga, A great place to take a break to enjoy good food and pleasant conversation in a comfortable atmosphere. We will be back. [read more](#). When the weather is nice you can also eat outside. What [User](#) doesn't like about The Heart:

The coffee was good, although quite expensive. Building is quaint and has a nice feel. Service was disappointing I personally would appreciate for the staff to acknowledge my presence with a hello or even a smile and eye contact. Took a good 2 minutes of us waiting at the order area for this to happen. With so many coffee shop options I'm not sure I would rush back. Shame really as, like I said, the coffee was good.
