This place is really amazing and different. All the charcuterie is made in house. Small plates which change every day. Wine by the glass. We ordered the chefs choice at \$45.00 each what we got was plate after plate of dishes that were not even n the menu. Just the chef blowing our minds. They kept that up until we cried uncle. I would recommend this place to anyone who is patio ate about great food. [read more](#). When the weather is good you can also be served outside, and there is free WiFi. What [User](#) doesn't like about Le Renard Et la Chouette:

- atmosphere hut with ordinary sugar-service very slow more than 2 hours to have our meal since we had not price the menu tasting- the price and especially the availability of the wine are not acceptable - I felt that to fill the lack of availability and the variety of wines we had right to a very complex explanation that in the end did not mean anything especially when we returned a bottle cape. In Le Renard Et la Chouette in Québec, they prepare *delicious pizza* using a time-honored method, served **straight out of the oven**, You can also look forward to the typical scrumptious French cuisine. Of course, we must not forget the comprehensive diversity of coffee and tea specialties in this restaurant, Here, the meat is freshly **grilled** on an open flame.
