What [User](#) doesn't like about Le levantin:

Whether you opt for a fine flatbread which is refined with a rich garlic infusion, or crispy falafel, the dishes from the *Middle East* transport you for a moment to a distant land - rounded off with honey-like, crispy baklava, you can return strengthened to your daily life, The visitors of the restaurant are also thrilled with the extensive selection of various coffee and tea specialities that the establishment offers.
