We absolutely love it here and have visited multiple times. The owners are absolutely wonderful and the service and food is excellent. The pasta is so authentic, flavourful and fresh. We had polpetta, and gamberoni appetisers which were delicious. The carbonara and bolognese were absolutely delicious. We will definitely visit again. [read more](#). In nice weather you can even eat in the outdoor area. What [User](#) doesn't like about Matterello Restaurant: Reserve your table in advance! It began bad, went well, ended ok. They took 15 min just to give me the menu, but ok. The staff helped me when they realized this, they suggested me some wines by the glass, I ordered an Arancino (it was good) and a Matriciana (it was ok). My overall experience was not the best, even though I think it might be a good Italian option. [read more](#).
