I don't use the term best in town lightly, this [pizza](#) is simply the best! Fresh, local toppings, loads of cheese and a perfectly crunchy-crust go hand in hand or dough in dough to make this delicious pizza a hit! We ordered the [pizza](#) de Greek and one of our own topping pizzas. It even tasted great the next day and the [pizza](#) still remained non-greasy. 10/10 would recommend! 10% off on pick up orders. Andiamo's Pizza & Pasta House:

Worst [pizza](#) I have had in as long as I can remember. R food and less worrying about being a jerk. Burnt crust, meat was funky. felt ill all night. The worst part was the old guy who was working the counter ran off while I was waiting for my pie so he could tell someone to not to park in his spot. Spend some time to make better food or customer service. Drive up the road. there are lots of places to buy pizza. [read more](#).
