The place from Montréal offers **281** different *dishes and drinks* on [the menu](#) at an average price of CA\$20. What [User](#) likes about Dynastie:

all people complaining about the spills have never ordered Chinese food because this happens with all Chinese restaurants? Chinese food has a lot of sauce, what can they do? dynasty is one of the best places to eat in montreal! Do they hear a logical person like me and not some karens? [read more](#). What [User](#) doesn't like about Dynastie:

eating is very good, but every time i order from them via app, and write them a notiz, they never read the note and there are always mistakes. even for allergies. and when you call, no one speaks English not even a word) and they depend on the phone [read more](#). Dynastie from Montréal is a good place for a bar to a drink after work and be able to hang out with friends, and you may look forward to the fine typical [seafood](#) cuisine. In this locale there is also an large selection of **coffee and tea specialties** not to forget, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive assortment of beers from the area and from worldwide, which are definitely worth a try.
