The place from Montréal offers **46** different **dishes and drinks** on [the menu](#) at an average price of CA\$5. What [Mahnaz mansoori](#) likes about Poke Star:

I absolutely love their salmon poke bowl. It's fresh and has a good portion at a reasonable price. They are very friendly. I got to know them through lunch box event and since then I get my poke bowl only from them. [read more](#). What [Zihan Cai](#) doesn't like about Poke Star:

Not sure about this place. The first time I went they said they only take cash. They also said they ran out of salmon. Decided to give it another chance. No one was there at the counter upon arrival both times I went. Place looks disorganized and is kind of dirty. Poke was decent, but I don't know if I'll come back. [read more](#). The large diversity of coffee and tea specialties makes a visit to Poke Star even more worthwhile, The inventive fusion of different dishes with fresh and partially daring ingredients is highly valued by the guests - a good example of Asian Fusion. But the undisputed highlight of this restaurant is the delightful [Sushi](#) such as Maki and Sashimi, on the menu there are also a lot of *Asian dishes*.
