Decided to try arby's as love sandwiches... Had the roast beef with horsey sauce. Partner had the Montreal smoked meats. Wow! They sure pack a whole lotta meat into their buns/baps (English bap's, Canadian bun's) been a few times since but only had the small sliders, the normal size is too much for me at lunch time. Great food, not too expensive considering the amount of meat. [read more](#). What [User](#) doesn't like about Arby's: Good spot for a quick lunch. Lots of tender roast beef piled on a bun. Good curly fries. Several menu items to choose from. Not a dining experience but a decent lunch. [read more](#). In case you're craving some **seasoned South American cuisine**, you're in the right place: exquisite menus, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, The menus are usually prepared for you in the shortest time and fresh. You can just get one of the fine sandwiches, a small salad or another snack, if you're not that ravenous, It shows that the original *Canadian meals* are well received by the visitors of the local.
