Chef's Temptation from Sherwood Park is the perfect place if you want to try delightful **American dishes like burgers or barbecue**, meals from Thailand are prepared here with the popular spices and (fish-) sauces. It's precisely the freshness and lightness together with the typical spices that not only brings fine dishes to the table, but also puts the customers into a pleasant holiday feeling temporarily, The inventive fusion of different meals with fresh and partially daring ingredients is highly valued by the guests - a good example of Asian Fusion.
