A **comprehensive [menu](#) of Dizzy D's Diner** from Regina covering all **16** meals and drinks can be found here on the card. Located in an industrial area, this eatery faces its captivated audience well. While some find the Dizzy burger disappointing, the bun is fresh. A great place for breakfast, but prices soar after 10:30. However, Dizzy's offers friendly service and great value, warranting a visit for the pan scrambler. The menu is varied, with well-cooked options available at a reasonable price. Generously portioned and tasty food is served to cleanliness standards. Despite the occasional hiccup with undercooked hash browns, Dizzy's is recommended for those seeking great local fare. Friendly staff and delicious meals make multiple visits a must.
